CONCLUSION

"Each of us has the potential to be a light – in our homes, our classrooms, and our communities. But that light shines only when our akhlaq matches our ilm, and our actions reflect our iman.

Let's promise ourselves:

One bad habit – we will leave.

One Sunnah – we will revive.

One heart – we will soften.

May Allah make us among those whose character is loved by Him, and whose presence brings ease to others. Ameen."

الحمد لله رب العالمين
